

Dermalux

SOFT TOWEL LOTION

**A Superior Bed Bathing System for
Aged Care & Home Care Services.**

DERMALUX SOFT TOWEL LOTION is a mild, natural, organic lotion for cleansing skin. Developed and manufactured in Australia, **DERMALUX SOFT TOWEL LOTION** has effectively been used in Hospitals since the mid 1980's as a preferred bed bathing method.

DERMALUX SOFT TOWEL LOTION cleanses and refreshes skin whilst maintaining skin integrity, without dryness or irritation. The natural ingredients used in **DERMALUX SOFT TOWEL LOTION** nourish the natural constituents of the epidermis and balances the skin's pH. **DERMALUX SOFT TOWEL LOTION** is a naturally saponified lotion designed for Aged Care residents and Home Care Services. A key feature of **DERMALUX SOFT TOWEL LOTION** is its rapid evaporation which enhances the action of the specially selected emollients to improve skin integrity.

Dermalux Soft Towel Lotion benefits:

NURSE or CARE GIVER will find that the **DERMALUX SOFT TOWEL BATH:**

- Is a superior method of cleaning the resident
- Can incorporate aromatherapy & complimentary techniques
- Is kind on carers hands
- Is a simple technique to learn
- Creates a bond between nurse/care giver and resident
- Gives the nurse the opportunity to evaluate and observe the resident
- Reduces manual handling of residents and associated OH+S risks
